

Do you want to make a difference in the lives of our youth?

Do you want a more rewarding career?

Do you want to lead adolescents to personal victory and success?

**If you answered “yes” to any of these questions then join our team and grow with us at
Normative Services Academy!**

WY Licensed Therapists Needed

Program Overview:

Normative Services Academy is a Joint Commission (JCAHO) accredited program offering adolescent residential treatment to youth from multiple states on our 300-acre facility in the foothills of the Big Horn Mountains near Sheridan, Wyoming. Since 1990, our mission is to help adolescents with emotional, social, and behavioral problems to become better equipped to reclaim their potential through experiential activities, education, and therapy. With our primary focus on student safety, accountability, responsibility, and respect, Normative Services has gained a reputation for providing innovative programming and treatment for our clients and customers. Normative is licensed by the Wyoming Department of Family Services, Wyoming Department of Health's Mental Health and Substance Abuse Division and the Wyoming Department of Education.

Job Duties:

- Interview and assessment of students and families.
- Individual cognitive behavioral therapies.
- Group therapies including recreational, didactic, experiential, and psychodynamic.
